Dear Mr Saleh,

It was an honour to meet with you in The Hague on the 18th of dec in the India community meeting. Thank you for your mail and the diaspora web link. I shall stay in touch. There is much we can work on together.

I am pursuing the bilateral agreement on social security that we discussed. I shall revert to you soon on this, though it will take a few weeks fro me to bring it to finality.

Best regards,

Gurucharan
